Community Services- Bridge: Sensory Loss Communication Training

Date: April 27, 2018 Time: 9:30am-3:30pm

Join facilitators Angela Brown & Theresa Merrifield from **Deafblind Services Ontario** for a unique workshop which will provide learning opportunities for organizations or individuals looking to expand their knowledge and understanding of individuals with a sensory loss and communication need.

This interactive workshop includes:

- ◆ Sensory loss: an understanding of the impact this has on the lives of individuals.
- ◆ Explore the role of the support worker when working with an individual with sensory loss.
- ◆ An understanding of the impact of sensory loss has on communication and expand knowledge of adapted communication methods.
- ◆ Vision: common eye conditions and maximizing residual vision.
- ◆ Hearing: types of hearing loss and maximizing residual hearing.
